## **Customer Reviews**

Very disappointed. Was looking for more of adult coloring. Some of the pictures are child like and you can't make out the design on the cup to know how to color it. I would not buy it again.

It has ok paper but 90% of the pages are from a book I have which nicer it's called home sweet home tea cups tea time antiques lace all this book has only 24 pages 14 from the other book and 7 new to me it never hurts to have copies this way you can use difference colors

Not what I was looking for. Not very extensive drawings. Disappointed.

Lousy excuse for an adult coloring book. Poor boundaries, detail is very poor. Not worthy of being sold on !!!!!

Beautiful and my daughter loves the designs. Clever art with fun buffet spreads and a lot of cups and pots in various designs and levels to color. like the square shape. Beautiful cover!

Printed on two sides; pens bleed through. Pages are not perforated

Every tea lover's dream! Beautiful cover and even more beautiful pictures inside! I can't wait to add this to my girl's Easter Basket. Such a cute coloring book!
