# Rockstar Romance: Private Love Books 1-3

## Synopsis

The first three books of the Private Love rockstar romance series. What readers are saying about the series: "Start at book one and read them all. You will enjoy their story!" "I really enjoyed this series." "I love this series. The characters are so real with everyday problems." "I have a serious addiction for Rockers, and was so excited to find a new author/series." "In this one the characters are great, down to earth but exciting at the same time!! This is a great insight into life on the road..."

**PRIVATE LOVE IN A PUBLIC PLACE (Book 1)** Mags O'Brien lives on the alcohol-soaked, drug-enhanced concert circuit, managing out-of-control rocker Julian MacAvoy. She helps him spread his musical gospel to his adoring followers, despite the fast-spinning turnstile on his bedroom door, and the broken hearts he leaves in his wake. Mags believes she's immune to Julian's magnetic personality but when controversy hits the tour, she finds herself in danger of falling at his feet, slave to his appetites and her own desire and need. Julian refuses to be tamed, but the pressure of the ravenous crowds clamps tighter and tighter around him. His chaotic world starts to crumble when he realizes his motivation to continue touring comes from an unobtainable woman. Can he force her to make the agonizing choice between himself and her estranged husband? An erotic and candid look at life on the road.

**THE FAN (Book 2)** Have you ever lusted after a famous musician? Or maybe you've fantasized about being 'the one' to be plucked from the audience. What really happens when the lights go down? With a fast-spinning turnstile on his bedroom door, Julian MacAvoy spreads his musical gospel to his adoring followers, leaving broken hearts in his wake. What did happen between Julian, Barbie and Young Elvis that one night after the gig? THE FAN is a short explicit romp - written for those of you who desperately need to know what happened in that bathroom - or for anyone else who has lusted after a famous musician!

**PUBLIC LOVE IN A PRIVATE PLACE (Book 3)** Having faked his own death to escape his out-of-control lifestyle, rock star, Julian MacAvoy and his beloved Mags are lying low in the Far North of New Zealand. Enjoying their newfound anonymity, Julian has to come to terms with the prospect of discovery when Mags turns their new life upside down by announcing that she's pregnant. Will this reformed bad-boy be forced to return to his rock star roots? Romantic, erotic and awash in the beauty of the Far North of New Zealand, PUBLIC LOVE IN A PRIVATE PLACE captures the essence of the rock star's dilemma: The Band or The Girl.

## Customer Reviews

I was a fan of these books separately and now the first three are together in one book. Julian is the wild rockstar that Mags is trying to manage. When they are around each other there is no denying the chemistry but he is a playboy and Mags has her own baggage. What if what Julian really wants is Mags? What if life as a rockstar is not what Julian wants? Enjoy this steamy series of life as a rockstar and trying to find a HEA.
