## Customer Reviews

The recipe booklet that came with my air fryer was a joke. Thatâ™s why I bought this book just to find out it is not much better. Thumbing through the book I noticed inaccuracies, omissions, and outright mistakes indicating that the recipes were hastily put together without much thought. There is no mention of how many servings each recipe yields. For instance among the breakfast items is a Potato Rosti that starts with 5 lb of potatoes (page 29). For this same recipe one first preheats the

air fryer (which usually take 2-3 minutes) and then peels the potatoes, grates them, form patties and then put them in the air fryer. All 5 lb of patties at once on top of each other does not make sense to me but the recipe does not say to do it in patches. In two more recipes one preheats the air fryer and then marinates the fish for one hour (pages 221 and 256). The author acknowledges that there are many air fryer models out there and in addition to the basket they may come with a tray and baking dish. Some recipes in this book also require ramekins, silicone cupcake molds, oven safe dish or bowl (without mentioning size), small loaf baking tray that holds 2 lb of ground turkey, 1 cup of breadcrumbs, 1 cup of milk, 3/4 lb of cheese among other ingredients (page 201). This is just one example where I am at a loss of what container to use. Also, many recipes use hard to find ingredients like: Galangal (page 210), Soba Noodles (page 261), Maida Flour (page 146), Taros (page 185), Shaoxing wine (page 251), Hung curd (page 269) and so forth. The book does not have an index and the table of content lists breakfast, sides, snacks, main meals, and desserts & sweets with the recipes in no particular order. I tried two recipes: french fries and crumbed chicken strips.
