Customer Reviews

I liked the book because it leaves the mind open to creating your own personal stuff from paracord and teaches you how to make basic items that are useful

Only one star to post this. DO NOT buy these \$2.99 books, they are NOT books. I have lost my last dollar on this c---.

Made many different projects. My scout troop had a blast making father's day gifts. Thank you for putting this out.

very few pictures, looks like it was run off a copy machine. not very clear on instructions
