Lennon On Lennon: Conversations With John Lennon (Musicians In Their Own Words)

Synopsis

John Lennon was a highly opinionated and controversial figure with a commanding personality and quick wit. He spoke candidly about his intense, sometimes tumultuous relationship with Yoko Ono, his split with the Beatles, his squabbles with Paul McCartney, and just about everything else, baring his emotional ups and downs for all to see. By the time he granted his "and this book's" final interview, only hours before his death, he had become one of the most famous people on the planet. Lennon on Lennon is an authoritative anthology of some of Lennon's most illuminating interviews. The majority have not been previously available in print, and several of the most important have not been widely available in any format. This material paints a revealing picture of the artist in his own words and offers a window into the cultural atmosphere of the sixties and seventies.

Book Information

Print Length: 464 pages

Publisher: Chicago Review Press; 1 edition (November 1, 2016)
