This is a collection of 50 delicious and looks so healthy recipes under ketogenic diet. I already got my favorite dishes that I tried and they just love it. I tried cheesy chicken slow cooker and it was awesome! My mom loves the almond crusted tilapia and the brown butter roasted pecan with rosemary but the total hit was the sausage and cream cheese stuffed mushrooms. What makes this book unique is that it has calorie labels per suggested servings and it was really amazing because you know how much calorie intake you had or you will have per servings of the dish.

I am convinced that it is essential to read a book like this on ketogenic diet to clear all the misconceptions, the promoters of ketogenic eating methodologies are emphatically of the perspective that starches, particularly the high glycemic index ones, are the real reasons why individuals put on weight. Starchy foods are by and large metabolized to deliver glucose, a type of basic sugar that is, for the most part, viewed as the favored vitality hotspot for the body as it is a quicker burning energy.

Great Book! We all knew that finding healthy and easy recipes in Ketogenic Diet are that easy. And thank you to this book because it makes our life easy. 50 quick and easy 5 ingredients are included on this book and require only 20 minutes preparation time. The overview of ketogenic diet explains well and easy to understand. This is the best book of keto diet so far. I will definitely share this to all my friends who are into ketogenic diet. Thumbs up to the author!

Are you searching high and low just to find the right kind of diet you needed? Why not try this one.

Ketogenic diet is a powerful and healthy one to perform. The recipes that we are going to make are easy and not time consuming. They are all nutritious and good for our body. Making our immune system to boost and healthy. You will definitely be amazed at the effects that it gives us. It is because this kind of diet will help to reduce weight in a natural way.

This is a pretty good cookbook. I've been reading a lot about ketogenic diets lately because it seems like a very healthy choice. A few things I like about the recipes in this book is that you don't need any cooking experience. I can't cook well and I just wanted the simplest options I can use for anything. I've found the ketogenic diet is great for energy and focus and it seems the recipes in here are very conducive to that.

The author has presented a fabulous guide book on Ketogenic diet with amazing recipes and taste. This guide book has described these recipes with ingredients well that are helpful in preparing these recipes. The one amazing thing about Ketogenic is that that these can be prepared in just 5 minutes or so quick. There is given step by step 50 recipes with proper information. Must read it!

Ketogenic diets are proven to be extremely effective for getting lean because you reset the body's enzymatic machinery to use fat as its primary fuel source in the absence of carbs. The Ketogenic Diet consists of high amounts of fat, some proteins, and minimal carbohydrates. In this diet, you don't have to count your calories or the amount of fat you are consuming. It was an easy read and very informative. Easy to read and understand the concept of ketogenic diet. It would be nice if included some recipes as well. This book offers up a great variety of different types of foods that you can make with a good variety of ingredients. Good information. This is a good quick read for anyone wanting to start the keto way of life! highly recommended this book.

The 50 quick and easy ketogenic diet is here. I am craving with this kind of food because I can prepare it easily and it can help me for my diet. I want a healthy living and this delicious food I've learned is the best alternative. Losing weight is my goal because my graduation pictorial is coming soon and I want to be fit and sexy that time. Great book and has an easy understandable overview of the ketogenic diet.
