## Customer Reviews

Ticks all my boxes:- Well structured- Clear instructions- Astounding number of projects for a book in this price range- Applicable to both tissue paper and crepe paper- Materials used are easy to source- Suitable for different skill levels.I highly recommend and would totally buy it again as a gift.

i am sorryto say this , but the book did not meet my expectations. it is lovely, but much too difficult for me. perhaps someone with more talent and more expertise could follow it.

Not what I expected....not simple at all....I need a beginner instruction book...my mistake!

Easy to read and follow even if your as new as I am to making paper flowers. Highly recommend as a great jumping off point.
