Gane En El Casino... (Spanish Edition)

Synopsis

El jugador social y/o compulsivo que ingresa a un casino lo hace con la firme convicción de poder ganar o bien con la imperiosa necesidad de no tener que perder. Para lograrlo tiene la absurda creencia de contar con fórmulas mágicas para derrotar al azar. Cuando termina perdiendo la caja asignada, justifica de alguna manera lo sucedido para volver en busca de un nuevo y similar objetivo. Por otra parte desconoce, por error u omisión, la existencia de la Técnica legal y válida para vencer en el juego de habilidad denominado Blackjack. Este libro no tan solo capacitará al lector para incorporar dicha técnica, sino que también le demostrará fehacientemente la imposibilidad sistemática que existe de ganar en la totalidad de los juegos de azar. De esta manera se podrá materializar la ilusión mayor que seguramente tiene cualquier apostador común: llegar a conocer en el corto plazo Las Vegas en los Estados Unidos de Norteamérica, considerada la capital del juego mundial.
