# Last Man Standing (Southern Scrimmage Book 5)

## Synopsis

There's no dating in football. After living his entire football career in Levi Brody's shadow, Damien Sullivan is set to take the NFL by storm. Angry at the world he lands in New Orleans with a chip on his shoulder and a need for some action. He wants nothing more than to experience life to the hilt, but a controlling parent and a set of rigid fraternization rules seek to slow his roll. A chance hook-up before camp leads to a showdown with the very young, very attractive starting quarterback. Starting quarterback for the disgraced New Orleans team, Raphael Acosta has his work cut out for him. His team doesn't respect him, his coaches barely know his name and now there's this hot-shot kid lauded as the second coming of the great Levi Brody. The last thing Raf needs is an insufferable rival for his position. The problem is he can't seem to keep his hands off the man in private. When new rules and old prejudices converge, only one could be the Last Man Standing. Sexual Kink Advisory 59,000 words

## Customer Reviews

First of all, I have to say to anyone considering reading this book: you **MUST** read this series in order. Your understanding of the nuances in this book will depend on having read the other books in the series. Go find the first book, read them in order and then when you get to this one you can devour it like I did. Every time I have read one of the books in the Southern Scrimmage series I am absolutely positive that it's my favorite. "OH! These are my favorite characters." Then the next book comes along and I'm all, "No, wait! **THESE** are my favorite guys!" Okay, I get it. They are all awesome. Awesomely flawed and damaged and grumpy and scary and funny and sweet and lovely. (And kinky. I almost forgot that part!) And while these two (Sully and Rafa) are my favorites \*wink\* I was delighted to see characters from previous books play important roles in this story as well. The reader will see Dylan Sunday, Del Shannon, Will Slater, Jude Brody, and a few others. (Oh, Dylan. You **ROCK** in this book.) It's really not often that I can check the 'full of surprises' box on a review. I did for this one because at least 3x I dropped my kindle to my lap and felt my jaw fall open. Honestly don't know how the author thinks up these delightful, juicy details that add so much depth to the novels. SOOO GOOOD! Sully is new to the NOLA team and will be competing with Raphael for the starting QB job. That provides some of the conflict for this story, but there is also dysfunctional parenting for both guys. Then there's the little detail of a previous scandal for the team which makes the team incredibly gun-shy for any potential new scandals.
