Customer Reviews

I really enjoyed this very sweet and precious read. Cody was young, innocent, and naive, so his boss, Jared, figured that he'd teach him a few things. Cody's older brother, Mike, was also awesome and I love how he always looked after Cody. Jared and Cody were super sizzling together, and Queen Fae was hilarious also. It's a well executed story filled with humor and lots of love. :)

The writing was good, and the story line was interesting, but after a while, Cody's innocence and obliviousness were a bit too much. That said, i did enjoy it amd if you are looking for a quick read, this is a good one.3.5 stars

This is the first book that I have read by this author but it won't be my last. I truly enjoyed this short

story. Hard to believe someone can be as naive as Cody when they go away to college but it was hot!!

Funny, sweet, innocent and soooo sexy. This is such a cute story about a young gay man being introduced to his own sexuality. It is lovely and romantic. I love how his innocence is protected by his new found family at the bar where he and his brother work. His boyish character is so captivating that I just want to cuddle him to death. All the characters are fun, silly and well developed. Fae, the drag queen was the star of the show!! Loved this story and highly recommend. Very well written.

A very cute yaoi fiction about cute bottom assuming himself to be a top. But there's an absolute top who thinks that twink should be put in the right place so the story begins. Now I have a chance to read the whole story and it feels so great :)

Omg. I could not stop smiling while reading this. It was so funny and so ultra sweet. Even if it was over the top, this is just what would be perfect! Even evil queen Feifei! Lol! Precious and must read, whether one needs a cheering up or not

Wow! This short story was amazing. Sweet, funny and cute! I fell in love with the characters and adored the story. The author, Amelita Rae, has been added to my auto buy list. I look forward to reading more of her wonderful stories.

This was such a good story and definitely one of the cutest things I've read in a while. You'll find yourself falling for the cute little protagonist and laughing at his antics. Of course there's smut to satisfy your inner pervert, but even that is adorable. This story definitely plays on the perception of gay people that we have and turns it into a funny little adventures. Definitely get it.
