Hugh Johnson's Pocket Wine Book 2017

Synopsis

Hugh Johnson's Pocket Wine Book 2017 is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Now in its 40th year of publication, it has no rival as the comprehensive up-to-the minute annual guide. Hugh Johnson provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. He reveals which vintages to buy, which to drink and which to cellar, which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialities and how to match food with wines that will bring out the best in both. This year's special anniversary edition also contains a colour supplement exploring 40 fascinating stories from cities with great vineyards close by to 'new' grapes that have come on the scene.

Customer Reviews

Hough Johnson's Pocket Wine Book has always been the best book about the world of wine. This years edition is, by far, the best yet. The description of many of the wines are fuller with much more info than in past years. If you enjoy wine, like me, you have seen and bought this book in the past. The 2017 edition is a must have for any wine lover-it is that good.

Still the best!
