Psychiatry Test Preparation And Review Manual

Synopsis

Covering every area of the ABPN board exam, the 3rd Edition of Psychiatry Test Preparation and Review Manual, by Drs. J. Clive Spiegel and John M. Kenny, includes 1,100 questions, online video vignettes and an online timed assessment to prepare you for certification or recertification success. Youâ™ll know exactly what to expect when exam day arrives, thanks to current coverage of the latest research in both psychiatry and neurology, as well as a format that precisely mimics all aspects of the written exam. Features six tests of 150 multiple-choice questions each, as well as 160 multiple-choice questions related to case vignettes. Allows you to see results broken down by topic online, so you can target areas needing further study. Bookmarking and score archiving are also available online. Allows you to exclude topics which are not included on the MOC, such as neuroscience and neurology, so you can more narrowly focus your study. Gives clear explanations for both insufficient/incorrect and correct answers, and provides recommended readings from key textbooks. Reflects the latest research and clinical practice in both psychiatry and neurology. NEW! Eight new video vignettes featuring patient interviews, each with accompanying multiple-choice questions. NEW! All questions relating to diagnostic criteria have been updated to the DSM-5.

Customer Reviews

The product description needs to be more clear that this is the EXACT SAME MATERIAL as the 2nd edition, except for about four questions in each of the six 150-question tests. Assuming you already own the 2nd edition, the price of the book is a high cost to pay for only about 30 new questions, out of 1000 total. All four 2nd edition child development questions (e.g. at what age can a child stack 4 blocks, run well, use plurals, whatever) got dropped for the 3rd edition. Yes, the book is TERRIFIC, and you MUST buy either the 2nd or 3rd edition. Seriously. I simply fault Dr. Kenny (Spiegel passed away, sadly) and the publisher for not being more transparent about the lack of changes between the two editions. No doubt, lots of folks will rush out and buy this, thinking it's full of the "latest" questions.

Online resources for the Kindle edition are a bit difficult to get access to -- here's how to do it.1) Go to <http://ebooks.elsevier.com/>2) Select a language3) Say you purchased an eBook4) Say you purchased from 5) Fill in your order number6) Provide the book's ISBN7) Give your name and email address.Elsevier will email you with instructions on how to access the resources.You will be able to answer questions interactively, take them in a test environment, and access the video vignettes.

Perfect for boards prep! Same questions as the other editions but updated answers

Excellent and very relevant to the boards. I enjoyed it immensely
