Buffalo chicken wraps are the favorites of mine. Cooking for 8 hours on low setting, or for four hours on high setting. Then, set aside chicken breast and half cup of the chicken stock, and discard the rest. Shred chicken breast using forks, and place it back to the slow cooker together with the half cup of chicken stock that was set aside. Then, add hot wing sauce. Serving cooked grated chicken on top of large lettuce leaves.

These recipes are time saving along with delicious taste, highly suitable for busy people like me. After got this book i save my big amount of restaurants bill. Now i am able to make delicious and healthy recipes at my home in short time. My husband and children are also happy to eat these recipes thanks.

Well presented, the information will help me to know the ways of preparing the various recipes especially for my breakfast since its the heaviest meal I always shave before leaving for work. The book has presented a lot and this will help me to make the right selection of the favorite meal recipes.
