The Unofficial Wizards Of The Coast Pokemon Card Value Price Guide

Synopsis

The unofficial Pokemon WOTC price guide offers the most up to date price guide to the original card sets that started the Pokemon craze that has lasted for 20 years. The comprehensive 280-page guide includes values of not just individual cards, promo cards, prerelease cards and error cards, but also full sets, booster packs, booster boxes, theme deck and theme deck cartridges. The individual card prices are given for all of the WOTC sets including 1st editions from: base set, base set shadowless, jungle, fossil, base set 2, team rocket, gym heroes, gym challenge, neo genesis, neo discovery, neo revelation, neo destiny, black star promos and southern islands. Each card has three tiers of pricing based on condition: mint, excellent or fair. The ebook also includes a brief introduction, detail of how to use the guide and a useful page to show how to identify the different symbols on the early cards. So no matter whether you are new to collecting, trying to find out the value of your old cards and sets or looking to complete your collection, this is the guide for you!
