## Synopsis

Dear readers! After an unexpected success of my first book "Carlos Castaneda's doctrine: the practice of the Lucid Dreaming" • I got so many letters of wishes to continue it. Thus, the book which you are holding in your hands right now is a logical continuation of the first book and it is dedicated to advanced study of a nature of the Lucid Dreaming. I really hope that this book will be helpful for the beginners and will not remain indifferent even the most experienced reader.
