Swaminarayan Hinduism: Tradition, Adaptation, And Identity

Synopsis

Swaminarayan Hinduism is rooted in its formation in India at the cusp of the early modern and colonial period. This book explores the new discoveries, recent research, and interpretation of the history, doctrine, devotional arts, and transnational developments provide a foundation for a more comprehensive understanding of contemporary Swaminarayan growth, belief and practice. The themes that trace through the analyses are tradition and adaptation in the historical and social process of creating a complex new religious identity in response to social, economic and political changes. The book contains current academic research from several disciplines including history, theology, the arts, architecture, sociology, and migration studies to analyze how the stories, texts, and arts shape and reveal the thought, devotion, conduct, and socio-religious community that guide Swaminarayan Hindus through major transitions across time and space in several contexts. Swaminarayan is one of the rapidly expanding transnational Hindu movements with followers and institutions throughout India and abroad, especially in the United States, Britain, East Africa and Australasia.

Book Information

Hardcover: 423 pages

Publisher: Oxford University Press; 1 edition (April 4, 2016)

Language: English

ISBN-10: 0199463743

ISBN-13: 978-0199463749

Product Dimensions: 8.6 x 1.4 x 5.9 inches

Shipping Weight: 1.5 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars Â Â See all reviews Â (1 customer review)

Best Sellers Rank: #772,131 in Books (See Top 100 in Books) #56 in Â Books > Religion & Spirituality > Hinduism > History #120 in Â Books > History > World > Religious > Hinduism

Customer Reviews

Excellent perspective.
