Synopsis

Regain Control Of Your Sex Life, and Say Bye to Impotence for Good! Give yourself the gift of overcoming erectile dysfunction, and live life to the fullest! Let's be honest: Nobody likes to talk about erectile dysfunction, and nobody likes to deal with it. It can be humiliating and embarrassing and, for one reason or another, can come around way too early in a man's life. It's a terrible problem to deal with, and if not understood and taken care of, it can lead to anxiety, severe depression, and even relationship problems. There's nothing worse than turning up the heat when things get romantic only to have it fizzle out moments later. It's a tough issue, and it affects men worldwide every day, but it doesn't need to be that way. There are all kinds of solutions out there for dealing with erectile dysfunction, and I've personally collected some of the best tips, tricks, and advice for helping people deal with this problem! This book will help you manage the symptoms and understand ED, and it will provide you with valuable advice to ultimately overcome impotence for good. There's no reason to deal with erectile dysfunction when you can overcome it for good and turn the heat in the bedroom back up to 100 percent, like you and your woman deserve! Here is a preview of what this audiobook will teach you: What's really happening when ED comes knocking Common physical causes of ED Common psychological causes of ED The erection self-test Treatments for impotence Daily habits to keep you "going hard" How to keep the erection harder longer Much, much more! Customer Reviews

I'm not sure where all these great reviews are coming from, but I feel like I pretty much got gyped. It

is more of a booklet than a book, and it's at best an overview. As such, there are some good things to keep in mind, but it is far from providing a real pathway to recovery. For example, he repeatedly gives the suggestion that you "eat right" etc., but without any real specifics other than "moderation", and "lots -- or at least some-- carbohydrates". All in all I feel it was a waste of money, even though it was only \$3.

It's an OK book, but very short. I was expecting a lot more than was delivered.
