SAT For Dummies, With Online Practice

Synopsis

The easy way to prepare for the SAT The College Board has announced a redesign to the SAT in the spring of 2016. There's no doubt that students, parents, and educators are clamoring for a revised and authoritative resource on the latest iteration of this important standardized test. Packed with loads of concept review and practice questions that cover everything you can expect to encounter on the math, reading, and writing sectionsâ "and complemented with one-year access to additional SAT practice onlineâ "this 2016/2017 edition of SAT For Dummies covers everything you need to increase your chances of scoring higher and getting into the college of your dreams. The SAT is administered annually to more than 2 million students at approximately 6,000 test centers located in more than 170 countries. Nearly every college in America accepts the SAT or SAT Subject Test as part of its admission process. Written by veteran For Dummies author and test preparation guru Geraldine Woods, 2016/2017 SAT For Dummies breaks down the topics covered on the redesigned SAT into easily digestible parts and gives you ample practice opportunities to pinpoint where you need more help and go on to master every subject. Offers strategies to stay focused on SAT test day Helps you gauge how you measure up as you prepare for the SAT Includes tips on how to manage your time wisely Provides practice problems and exercises in print and digital formats to take your skills to the next level If the thought of preparing for the SAT makes you sweat, fear not! 2016/2017 SAT For Dummies takes the intimidation out of the exam and arms you with the confidence and know-how you need to make it your minion.
