# 25 Bridge Conventions: Practice Makes Perfect

## **Synopsis**

25 Conventions You Should Know has sold more than 250,000 copies since it was first published, and continues to top the bridge bestseller lists. Over the years, readers have suggested that it would be an even better book if it offered some way to practice what they had learned. Well, here it is: a brief summary of each of those 25 conventions, together with example hands which can be dealt out and used to apply your new knowledge.

## **Customer Reviews**

Barbara Seagram's first book, 25 Bridge Conventions You Should Know, is one of the most popular bridge books published, for good reason. Each convention is explained well. However, as a bridge teacher, I need hands to share with my students that allow them to practice these conventions. This is the perfect book for that. Each convention has several practice hands that reinforce the concept that I am teaching. The book is very well written with very well thought-out hands. I would highly recommend this book to teachers and students alike.

Still working on it. Great reviewing exercises. Some eye-openers on playing. More than just counting winners and losers -- provides greater insight as to getting lucky, sometimes.

Excellent review of various bidding conventions with great examples.

Lives up to the title. Very user friendly! Strongly recommend.

Great Book Easy to read. Easy to learn from.
