Synopsis

This compilation contains statutes, rules, materials, and forms affecting conventional business corporations, benefit corporations, flexible purpose corporations, general partnerships, limited liability partnerships, limited partnerships, limited liability limited partnerships, and limited liability companies. In addition to the Delaware statutes for corporations and LLCs as well as the Model Business Corporations Act, select provisions from other states are included to provide a rich array of comparative approaches. Disclosure and governance guidelines of the New York Stock Exchange as well as recent interpretive guidance on important corporate issues from the SEC are included. The materials also include illustrative documents such as an LLC operating agreement, proxy form, and poison pill rights plan. The materials are expertly arranged by leading scholars in the field and are intended for law school study.
