# Private Pilot Test Prep 2017: Study & Prepare: Pass Your Test And Know What Is Essential To Become A Safe, Competent Pilot &#151; From The Most Trusted Source In Aviation Training (Test Prep Series)

## Synopsis

Pilot license candidates studying for the Private and Recreational Pilot FAA Knowledge Exam will find sample questions for every question in the Federal Aviation Administration exam database along with their answers and explanations. Questions from the exam are arranged by subject category, with each section prefaced by text introducing the subject matter and accompanied by specific study material. Each question is followed by the answer, an explanation of the answer, and a Learning Statement Code for further study in FAA materials. Updates are provided to account for FAA test-question changes throughout the publication year via the ASA website or e-mail alerts. Up-to-date basics on aerodynamics, engine operation, flight instruments, performance, radio navigation, and meteorology are among the subjects covered in this study aid. Includes softcover book and computer testing supplement.

## Customer Reviews

Received a copy for myself and two family members in two days. Very insightful read. Not done quite yet but if your looking to get your Pilots License, this is def. where you want to start!

Great study guide. Online practice tests were great. I used this and passed.
