I need to get more educated when it comes to special education and 504 laws. It's time I become more educated about how to help my kids with their special education iep's. I am tired of the school

trying to bully me and get me to go the way that they want.

Very helpful resource!! Provides great insight into recent developments in special education law.
Thank you, Wrightslaw for equipping us with the information we need to advocate for our kids!!
THANK YOU!!!

My copy of this book contains the information advertised. And more (!!!)...in the middle of the book (after page 48) there is a section that appears to be about 60 pages long entitled "The 20/20 Diet Journal The Ultimate Weight Loss Solution, Track Your Progress: Boost, Sustain and Attain." This "journal" is a series of pages that track one's meals, and at the end of the series of journal entry pages is a section devoted to the calorie content of multiple foods. Why was this "Diet Journal" in a book of special education cases and legal developments? What happened here?!

Yes it did. Now I need suggestions for books pertaining to becoming a parent advocate and starting a private business in order to advocate for parents and children who have special needs

Great!
