## Synopsis

Second Edition \*\*FULLY updated for romance kindle books, 2016. Promote your kindle romance books for free - Promote book, Promote your ebook. Facebook Guide for Authors. A Niche FB Readers, 200 Facebook groups to Promote your Kindle Book for Free. When my clients come to me and they say "I know social media but where do I need to be?" • The number one place I tell them to go before anything else is Facebook. Above all, Facebook is a must. Facebook has a lot of advantages. Facebook Pages Vs. Facebook Groups: Which is best for your business? If you're looking for a profitable niche for Romance kindle books.- Writing and selling ebooks (on Kindle or another platform)- If you want to find a marketable, profitable niche- These are niches that are proven to generate profits- You also get to learn how to identify more profitable niches If you want to go into niche marketing: FULLY updated for romance kindle books, 2016. The Four Best Ways to Find Prospects on Facebook. 1. Use the search tool for specific keywords. 2. Once in results, choose "public posts" • 3. Choose keywords relevant to your customers. 4. Use targeted approach to make contact. We were able to make contact and offer them e-book service, and it really gave them an immediate easy way to find potential prospects. So that's the number one path way to find prospects using Groups on Facebook. Well I work with a lot of publishers and authors that want to know how they can use Facebook to find clients. And I tell them the number one best way to find prospects on Facebook groups. Success story? My team members and I would love to hear from you! >> Click to sample! Updated Second Edition April 2016. Tags: promote book, promote your ebook, promote your book, promote your kindle book for free, romance books, romance kindle books, facebook marketing

## Customer Reviews

The main way to increase the sale of kindle books is through promotion works and Facebook is the perfect place to do this. Millions of people surf different fb groups for reading high quality kindle books. In this book you will find 200 popular fb page links for starting your promotion work. Take this book and start promotional work and earn more.

This book is useful and informative. It has a list of Facebook pages where you can advertise your book as an author or publisher or get book as a reader. A great book a fresh author and a publisher should get. This book will help your promotional work and will help you earn more. Good job done by the author. I recommend this book

This is an interesting read much helpful for authors for promote there books specially the targeted romance book. This book have over 200 groups for market your kindle book to over millions of readers. This book is helpful for authors, publishers and also for readers they easily get their desire books from these groups. And authors and publishers can get increase of sales of books

This book is indeed fully updated and helped me find a good groups where I could promote my book.It saves my time and energy and really easy to follow. thanks!

A recommended introduction to the ones that are looking to expand their marketing channels to facebook!
