Customer Reviews

This book has endless of knock knock jokes! Some I heard and some I havent! But for the most part they were new to my children! My children had everyone laughing reading these! They couldnt get enough.This is a great little e-book. Lots of joke books aren't very funny, but the kids and I like a lot of the jokes in this one. This book has been soo great especially on our recent road trip out of state!

It had been certainly an enjoyable to see humor. Certainly children will like this content pf the actual guide. It's a lot of enjoyable humor that actually astonished as well as amused me personally. I'd

adore too to use exactly what I've discovered out of this guide. Then your type of composing had been clear to see as well as exact. The writer do an excellent work. I wish to study much more enjoyable publication out of this writer.

I bought Jokes for Kids as a gift for my son. He loves jokes and the response to this book when we read it was amusing. Although some of the anecdotes are predictable, they are still funny. It brought back memories of my childhood days when my friends and I would exchange jokes. The author has a sense of humour. His selection of jokes and tongue twisters are entertaining, and I know that younger kids will have a blast telling these jokes. great for kids

I would love to disagree with the title as it says "Knock Knock Jokes For Kids". Because even I had fun with the jokes contained in here! It serves its purpose to make people laugh specially the children that read it. The jokes here are clean and smart in the best way!

My little brother loves this book. Whenever we have guests he grabs the book and tells everybody the knock knock jokes and amuses them. the most interesting part is that we are not even English native speakers and everybody understands the jokes and laughs.

This was awesome. I took it along on a long drive to the lake, in a car full of kids, so you can imagine how much fun we had. They all enjoyed it - so did the adults in the car. I was actually surprised how creative most of these are! Overall, very nice and funny!
