# Slither.io Game Guide

## **Synopsis**

Remember Agar.io? Slither.io is, in spirit at least, its sequel. It mixes the old Snake concept with a new multiplayer gameplay. Grow by eating little circles or by eating bigger or smaller snakes.

## **Customer Reviews**

You should not have to pay that Mitch for something that this a minute you should like for something chapter

Really good for people of all ages if they are new to this game, try to get Kindle Unlimited otherwise it is a just waist of money (well not really). It has great strategies that you can use (I did not need to use them though because I already knew them all). I'm actually quite glad they put it on Kindle Unlimited otherwise I would of never EVER of gotten this. Thank you for reading ^%.

It was good because of the trapping advice I'm good at slither.io but now I'm going to be better yahh

I have not bought this item. My kid mistakenly clicked on the purchase from my fire. I want to cancel

the order but I did not see that option. I am trying to get my money back.

Man's own
