Stream Video Like A Professional

Synopsis

Do you want to get into streaming video but don't know where to start ? If so, you should read this book !With recent changes in technology, you don't need specialized training to get started. You may already have some or all of what is needed to get started in streaming. Here is some of what you will see in the bookSelecting a Camera to stream withSelecting a microphoneHow to connect a HDMI camera to USBHow to build your own studio for very little moneyStreaming over Facebook Live or YouTube LiveThere is no one right way to stream video. I have had the good fortune to working in a professional broadcasting situation in both the field and studio environments. I use that knowledge and help you get started with streaming video without spending thousands of dollars with nothing to show for it.
