# Vintage Postcards Of New York (The Stefano And Silvia Lucchini Collection)

## Synopsis

A delightful collection of vintage and antique postcards of New York. This book presents a rare collection of more than 100 of the best vintage New York City postcards, providing a snapshot of how much the Big Apple has changedâ "and how much has remained recognizably the same. During the early years of the twentieth century, postcard photographers traveled the length and breadth of Manhattan snapping images and documenting landmarks and important new architectural masterpieces, such as the Singer Building (1908), the Metropolitan Life Insurance Company Tower (1909), and the Woolworth Building (1913)â "each of which succeeded the other as the worldâ "TM's tallest building at the time of their respective completion. Also celebrated were the engineering feats of the Brooklyn Bridge and the elevated trains and early subway, as well as popular amusements such as the original Madison Square Garden and the Hippodrome, which occupied an entire city block at Longacre Squareâ "since renamed Times Square. Scenic views of the city from a distance were equally popularâ "and in fact led to the coining of the word "skyline" in 1896. This charming keepsake volume is the perfect souvenir for architecture and history buffs and makes a wonderful gift.

## Book Information

Series: The Stefano and Silvia Lucchini Collection

Hardcover: 96 pages

Publisher: Rizzoli Universe Promotional Books (September 13, 2016)

## Customer Reviews

Impressive. Enjoyable. Interesting. Great gift. Would delight anyone interested in one of the greatest cities in the world.

Beautifully done

I love this book! Can't say enough about it. Fascinating to see vintage New York in all its glory. Great gift for New Yorkers (past, present or future), history buffs, artists, architects and collectors.

Lovely images of old New York City! I have it on display in my living room, guests are always impressed by it.

Beautiful gift with excellent commentary.
