## Customer Reviews

This was a great read and provides so many great traditional recipes for my air fryer. I love the fact that the author provides great looking photos of some of the recipes. There are so many great recipes to choose from. My favorite recipe is the Memphis BBQ Hot Dogs, which came out great. This is a recipe book that every airfryer owner should have!

I've bought many and some expensive air fryer cookbooks books this past week and none are as Great as this litter gem !!!! Full of simple instructions and many nice color photos. Highly recommended !!!!

Love the air fryer, everything so far has been so good and takes hardly any time to fix.

Good place to start if your a new air fryer owner.
