## **Customer Reviews**

I'm really impressed with the amount of tips that this cookbook has. This book contains essential and proven tips on how meal prep can make the cooking of healthy, clean meals at home easier and more budget-friendly. In this book the information is organized in a logical way that's easy to access, read and understand. It is indeed a good read and I highly recommend this book to everyone.

This book will help you how to have an ultimate meal prep. This cookbook will provide you healthy, clean and tasty food that you and your family can enjoy. You better start your healthy lifestyle now and by that you must also start to do your meal on your own. Learn the proper way of utilizing your ingredients to prepare savory dishes without burning a hole in your pocket. You will be able to know the latest tips and tricks of the culinary universe and create your very own personalized kitchen.

This is an excellent cookbook focusing on how meal prep can make the cooking of healthy, clean meals at home easier and more budget-friendly ! I love all the recipes in here because all the recipes are natural foods as well as these are good for health, provide energy to our body and also keep control on weight. This book clearly describes the guidelines on how to prepare dishes using exotic meats and fishes like chicken or vegetables for future vegan meals or fruits and snacks for small party time. Thanks to the author as she has done the right job.

This book is full of essential tips and tricks in having a diet to achieve an effective weight loss. I was able to learn a lot as I read through this book about meal prep. This book taught me about the key which is being organized always. Keeping up with inventory list is very useful and important, just as what this book has emphasized. Now I have so many knowledge and ideas about a healthy, quick,

easy and budget-friendly meal recipes. This book is an awesome adventure.

This book contains easy and delicious recipes that you can make ahead, and then freeze in zip lock bags until you are ready to cook. I have found an easy way to prepare meals for the week and just drop them into a slow cooker while I am at work. They also include nutritional information. When I stumbled on this book, I was pleasantly surprised that there is a meal prep book solely for meal prepping. If you want to eat healthily and plan ahead the right way, this book is for you.

I really enjoyed reading this book. It does a fantastic job of covering the topic of meal prepping. I wasn't completely familiar with this idea prior to reading this book. This book taught me what meal preparation is. I learned the benefits of meal prepping. I saw lots of good recipes in this book but I found some ingredients are expensive and I think that the author puts some alternate ingredients for that. This is written in a good manner and I am going to follow it and going to tell my fellows to read this amazing book.

Loved meal prep, Very simple recipes, easy to prepare and cook but healthy and for losing weight. Very delicious and mouth-watering recipes to choose from. The tips and information provide readers with the support they need to prepare the right kinds of foods for their bodies. This book be your guideline to a much healthier way of cooking and the base for a much needed change in lifestyle to improve your health. So I like this book. Thanks

Make meal prepping hassle-free through this book by following the simple and cost-effective tips. This book is indeed a good catch giving access to all the important info™s and guidance needed to bring in all the benefits of meal prepping has to offer. Not only that but one of the best part of this book is the splendid recipes that will make you dive into the delicious tastes. Truly, a must have meal prep guide.
