Customer Reviews

Can never go wrong with Anne-Marie Faiola materials. As always, encouraging, well written, with advice for the novice and those who have been at the business for a bit and are wondering how they can improve. This isn't the be all/end all for books on the soaping business, but is definitely one worth putting into your library.

Not only a great book for business but it also help me a lot with my personal life. God bless you more!
