Medical Bloopers 2017 Day-to-Day Calendar

Synopsis

The Medical Bloopers 2017 Calendar administers a daily dose of humor courtesy of humorous patient anecdotes, medical-chart blunders, and transcription typos as told by real doctors, nurses, and other healthcare providers. After all, in a typical day they see and hear some crazy stuff, such as the patient who wanted a prescription for "abstinence" • because a friend said it was the best method of birth control. Medical professionals will enjoy a year's worth of laugh-out-loud healthcare uh-ohs!
