I consider praying for my grandchildren to be one of my most important responsibilities. I have specific requests that I pray for them, and I love supplementing those with this sweet book! Stormie Omartian has a heart for God and understands the importance of prayer. Well-written. Often brings me to tears. Recommend.

I bought this booklet to use in my devotions as I pray for my four grandchildren. It has helped me pray for areas that I don't normally think about. However, I would recommend buying the full version, "The Power of a Praying Grandparent," as it has much more information and illustrations to help you focus during your prayer time.

It is a very nice book all Grandparents should have a copy . But I am dissapointed the price changed is there a reason? I was going to order 30 more copies but the budget I was given would not be enough to cover the cost. Too bad it really is a very nice book.

I've always loved Stormie O'Martins Power of Praying books. I just became a new grandparent four months ago, so when this came out I was excited! This little prayer book is packed with powerful prayers for your children and their children. I'm definitely not disappointed in this prayer book!! received a copy of this book through Netgalley in exchange for my honest and unbiased opinion.

My step mother is a great grandmother and she loved it!
