Garfield Fat Cat 3-Pack #18

Synopsis

THREE BOOKS IN ONE MEANS THREE TIMES THE FUN! It's a triple portion of big fat hairy fun! The fat is in the fire when Garfield is on the scene. Cooking up trouble and laughs is the specialty of the house. Of course, Garfield has plenty of help with his nerdy friend Jon and doofus dog Odie as his not-so-trusty sous chefs. Whether Garfield is suffering fools such as Jon and Odie, or chillin' like a villain, he's always entertaining, and there are always plenty of laughs to feed his hungry fans! The GARFIELD FAT CAT 3-PACK series collects the GARFIELD comic-strip compilation books in a new, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So enjoy some supersized laughs with the insatiable cat, because too much fun is never enough!

These always get five stars. My son loves them and there is a lot of book for the price. He has every one of these fat-cat 3packs and they have held his interest for 5 or 6 years now. It seems to understand them differently as he ages and rereads them. When he younger, they really helped him learn to read, and there are none of the misspelled words (I'm thinking of Captain Underpants) you can find in some kids books... And he can even share these with grandparents!! We've really gotten our money out of them.

Garfield comics are among the funniest comics that I've read. I especially enjoyed the Mouse ones.

my grand daughter is collecting Garfield, she loves them, hope the next one is here by christmas.
