Customer Reviews

This book really taught me a lot of tips tricks and cheats I can do. The experience is wholly compelling for those with a creative itch. Mining resources from the earth and turning them into

easily usable materials employed in the construction of nearly anything the player can imagine is enormously satisfying. This book indeed help you to find out how to generate a surprising world seed that matches your references, maximizes your enjoyment and minimizes your worry. I will definitely be sharing this book with my friends who are huge Minecraft fanatics.

My nephew is obsessed with Minecraft. He creates some of the most amazing things and consumes all things Minecraft. Truth be told i'm trying to get better and out-create him so that's why I bought the book. I'm very impressed with it! I already feel like i'm getting to know the game better and the glossary of terms was really helpful. There's so much information and every seed has a description. Seed #38 created such a beautiful mountain range I can't wait to get using the rest of them! Thanks so much for this book.

This book is a definitive manual to oft-ignored feature of Minecraft seeds, those seemingly complicated strings of numbers and letters that determines the residences of any given Minecraft international: its appearance, vicinity of strongholds, villages, ore deposits and plenty more. There are plenty of high-quality seeds like mineshafts, village, ravines, tremendous bio mes, and other cool stuffs that make your Minecraft game a lot more a laugh and fun! Those books certainly assist you to discover a way to generate a shocking world seed that suits your references, maximizes your amusement and minimizes your worry.

For those who play or addict in this game of minecraft this book has a lot of secret code to unlock other places to etc. this is a nice book for you to read and also this book has a lot of tips and cheats to unlock the other hidden categories in minecraft game.

Got this for my brother who is fond of playing this game. This provides all the secrets, tips and tricks that will help you become a better player in this game and have more fun playing it. He thanked me for this! I can say that he a pro player in minecraft. Five Stars for this!

This book really taught me a lot of tips tricks and cheats I can do. The experience is wholly compelling for those with a creative itch. This is a must buy for kids who are learning their way around Minecraft Seed and have some fun.

I don't know much about Minecraft but it seems interesting! I have been hearing it from my

friends and they seem to be really enjoying the game. So, I thought of reading some books about it. Then enter this book that caught my attention. I had fun reading this book. I am now excited to try it and put what I've read to good use! Thanks for this book Jack Elwood!

My daughter is a HUGE Minecraft fan as many other kids are. I'm sure she hasn't fully picked up though the updated pages of the books. She has noticed some and made me question if we bought the right books because it does not say updated on them. It's only on the clear packaging that's over it.
