Where We Left Off (Middle Of Somewhere Book 3)

Synopsis

Middle of Somewhere: Book ThreeLeo Ware may be young, but he knows what he wants. And what he wants is Will Highland. Snarky, sophisticated, fiercely opinionated Will Highland, who burst into Leoâ™s unremarkable life like a supernovaâ | and then was gone just as quickly. For the past miserable year, Leo hasnâ™t been able to stop thinking about the powerful connection he and Will shared. So, when Leo moves to New York for college, he sweeps back into Willâ™s life, hopeful that they can pick up where they left off. What begins as a unique friendship soon burns with chemistry they canâ™t denyâ | though Will certainly tries. But Leo longs for more than friendship and hot sex. A romantic to his core, Leo wants passion, love, commitmentâ "everything Will isnâ™t interested in giving. Will thinks romance is a cheesy fairy tale and love is overrated. He likes his space and heâ™s happy with things just the way they are, thank you very much. Or is he? Because as he and Leo get more and more tangled up in each otherâ™s lives, Will begins to act like maybe love is something he could feel after all.
