Synopsis

Polish Dumpling Perfection... Pierogi Pierogi have been shared over the dinner table in Poland and other Slavic countries since the Middle Ages. In fact, it has been a part of the staple diet since this time. Back in those times Pierogi were only consumed by farmers and the poor, until one day someone of higher status tried one and fell in love at first bite! Today we are thankful because so many centuries of trial and error in Pierogi recipes have passed. Today Pierogi are loved all over the world! There are many modern twists and variations to Pierogi, however my aim is to provide you with traditional and authentic recipes. Each and every recipe is easy to follow and can be simply recreated at home. You will also learn how to master making the Pierogi dough (Which is the most important part of Pierogies) You will also discover, Its not really that scary and hard!
