Customer Reviews

Too bad has decided to rip me off for $50.00 when I have ordered tons of stuff from them since 2005. I am not longer an customer now. They never sent a gift card I purchased and when I called about they put the money back in my account. They then took it from my account before I could use it and put it in a total strangers account and refuse to refund me. BEWARE.

Includes pictures of afghans, but I'm not sure she owns the pictures. I know I've seen the picture for the 1st pattern on free websites. Also the picture shows a chunky yarn or multi strand yarn afghan, but the pattern says use baby or sport weight yarn, and makes no mention of multiple strands.Also, the author uses the same picture of a white lacy afghan for two of her patterns...Other than that, this book is pretty good for being free.
