A Tragic Love Story

Synopsis

Tiffany Johnson is convinced that she can leave all her skeletons behind her in Queens, New York and start a new life in Tallahassee, Florida where she enrolls in the infamous FAMU. College life is supposed to be a new chapter in a person's life right? As Tiffany settles into college life, she is quickly swept up in all the wrong things. She begins to be a regular at frat and sorority parties, she starts popping pills, missing classes, and she begins to have the hots for sexy Marquese Jenkins; a football player whom is adored and wanted by everyone on campus. Trying to maintain a relationship with a guy everyone woman wants is enough to drive a woman crazy, but as it turns out Tiffany is surrounded by snakes. Her best friend Ke-Ke isn't the friend she thinks she is, just like Marquese. As Tiffany's world begins to crumble in Florida she finds comfort with Ti'mone Lambert, who's living an alternative lifestyle and currently running the streets in a way most men wouldn't think of. Love begins to spark in unfamiliar places for Tiffany and past promises are soon broken when she realizes she has feelings for Ti'mone. Tiffany can't get too comfortable being happy in Florida because her family is coming apart at the seams in New York. We know all love stories aren't always happy and filled with love but Tiffany's love story is much more complex. Every beautiful day she has is matched by a day of devastation. How can new love survive so many tragedies? In author Reality's debut novel, you will find out if the love is real, you can handle A Tragic Love Story!

Customer Reviews

Love,love, loved the book. Read it all the same day I purchased it. Could not put it down until the end. Can't wait for the next book. This is a must read. So much talent Reality!!!Keep the stories coming!! Love the book and you!

I truly loved this book...however i could not give 5 stars because the editing was so poor. I loved the characters, their backstory, and the Plot Twists...Patiently waiting for the sequel! And better editing.

This book speak novels on becoming a part of the lgbt community. I know alot of women have experienced some of these events in our lives so the novel should hit home for many. I know Reality personally and I give her a thumbs up for taking a walk down many of our lives and putting it in a beautiful way so the world can see it. Cant wait for part 2

I love this book it drew me in the first chapter... The first chapter reminded me of myself dating a man for 5 years but always thought a women was pleasing me.... You did that boss lady you really did I enjoyed every chapter the first chapter took me back to memory lane tho forreal... I was like damn....

This book was amazing... I enjoyed it from the beginning to the end. I can't wait to read part 2, I know there will be a part 2. There better be a part 2 I need more!!!

I loved the quality of the words and story I was moved by how love can fix a broken heart and end a bad situation at the same time I would recommended it for sure

I love this book. I am on the edge of my seat for more to come. Please write more. You have my attention.
