# Scholarships: Quick And Easy

## **Synopsis**

A detailed but concise guide to finding and obtaining scholarships. Devon Coombs graduated Magna Cum Laude from California State University, Northridgeâ™s Accountancy and Business Honors programs. While at CSUN, he earned the University Scholarship, the Thomas C. Bloch Achievement Scholarship, the Noski Family Scholarship, the Torchbearer Award, and the Outstanding Graduating Senior Award among many other awards and scholarships. In this book, he writes about the process he used to obtain over \$40,000 in awards and scholarships. He also includes information directly from University Scholarship Committees. Included with the purchase of this book are supplementary video lectures, found at:

<https://www.youtube.com/channel/businesscoretutoring>. Devon has mentored many students through financial aid and scholarship processes. This book is a strong resource for people looking to minimize their college expenses. Thank you to Jelzoo Jim for the book cover design!

## **Customer Reviews**

A quick read and thorough guide to applying for scholarships! The author has very insightful tips to

every step of applying for a scholarship. This is definitely worth a read for every college student as it would help with the tuition!

Honestly, I believe this book should be carried by all students preparing for university. It's short and to the point, something you don't get often. Keeping this book in my bag has allowed me to stay sharp with exactly what I need to attain the scholarships I need. As a physics major, on my way to Berkeley, I can say this book helped me tremendously. I owe it to the author. Thank you so much, Evan S. Hawksley

A Succinct and practical look into an aspect of education too many of us were not prepared for as children. The e-book is also widely applicable to being selected for other competitive and application based opportunities after University

Really good insights on scholarships. I was surprised by how much strategy goes into winning scholarships. Highly recommend this book for anyone else looking for easy tuition, its cheap too!

Great valuable information! Easy Read! A must read for all High School Students !
