# The Little Book Of Bonsai

## Synopsis

It is packed with myth-busting surprises, the first of which is that growing bonsai really isn't as hard as most people think. In fact, they are no more difficult to look after than other pot plants - and easier than many. This book, from bonsai enthusiasts, Malcolm and Kathy Hughes, makes the job even easier, breaking down the subject into three clear sections: Getting Started, Ongoing Care and Species Profiles. Jargon-free text and a plethora of photographs and diagrams make this the ideal book for complete novices, as well as a handy companion for more experienced growers. Whether you want to grow from seed or source an established plant, everything you need to know is contained in this guide, which, like bonsai themselves, is small but perfectly formed.

## Book Information

Hardcover: 144 pages

Publisher: Mitchell Beazley (June 28, 2016)

Language: English

ISBN-10: 1784721700

ISBN-13: 978-1784721701

Product Dimensions: 6.5 x 0.8 x 8.5 inches

Shipping Weight: 1 pounds (View shipping rates and policies)
