# To The Rescue!

## Synopsis

From propellers that whir to lights that flash, rescue vehicles attract everyone's attention! To the Rescue! offers up a fun, foundational introduction to six helpful vehicles that are sure to fascinate every preschool learner. Simple, rhythmical text introduces each automobile or aircraft by its definitive action. Whimsical illustrations, meanwhile, pair emergency situations with friendly characters. Set within a durable board book format, this is a title all young readers will race to save from the bookshelf!

## Customer Reviews

My boys love this book. It is a very simple and quick read for any kid who likes firetrucks, police cars, or other vehicles on the road. The greatest thing about this book is that because it is so simple to read with fun words/sounds- my two and four year old will "read" the book to themselves outload. I LOVE hearing them read the book, making the sounds of the vehicles and knowing their "job!"
