I assign this FRCP rules pamphlet for my Civil Procedure course at Berkeley Law, because it raises money for a great organization and is far less expensive than most comparable rules pamphlets. (Full disclosure: I assist the Women of Color Collective at Berkeley Law produce this book each year.) It has the full text of the Federal Rules of Civil Procedure, plus those parts of the United States Code and the United States Constitution that are typically used in studying Civil Procedure. Note that you could download all of this from the internet for free, but having the FRCP plus the applicable parts of the US Code and Constitution in one handy booklet is more convenient. David Oppenheimer. Clinical Professor of Law. Berkeley Law.

Bought this book to support WOCC, which is an amazing organization at Berkeley Law. I also appreciate the price and the lightness of the book - it has all the info you'll need in CivPro (you'll want a hard copy to highlight relevant text/write easy to understand language in the margin for each rule).P.S. All the cool kids use it at Boalt!
