Customer Reviews

This was a great purchase! I like to put jokes on my Facebook page, instead of all the drama that most of my friends post :P I used my Kindle app so I can just copy and paste onto my page, o I got this for inspiration. A lot of great material in here. Some of the jokes were crude, but that doesn't

faze me any. I highly recommend it for everyone, no matter what age they are. !! ^ ^ ^

I'm the one who is looking for jokes at magazines. So this book was like the best buy for me ever. It's really funny to read this jokes over and over and share the jokes with friends. This is my favourite: Magician can walk on water, but Chuck Norris? He can swim through land ... leisurely :)

Haha..This is the funniest book I've ever read, while reading it I can't stop laughing alone in my room because of this book. Worthy to buy and I recommend this to those who want to relieve their stress by entertaining themselves while reading a funny book. A great Job for Kevin Murphy who wrote this.

Laughter is truly the best medicine. This book offers one the opportunity to add some humor to our lives. It contains a series of jokes that would definitely get you excited and bursting with laughter.

I started reading and wasn't able to control me from giggling especially on the joke about myself and wanted help was also fabulous to read.I follow the term 'laughter is the best medicine' • especially when you feeling stress, you will sense great and stresses and negative thoughts will blow away. You must keep a copy of this book with you and read it when to feel any stress.

I loved the jokes that was included within this book they are all extremely humorous and it has something that will suit everyone. I couldn't stop laughing all the way through and is definitely a good book to have around to share with family and friends. Well worth getting if you want to have a good laugh.
