Born In Blood And Fire: A Concise History Of Latin America (Fourth Edition)

Synopsis

The most readable, highly regarded, and affordable history of Latin America for our times. Born in Blood and Fire, Fourth Edition has been extensively revised to heighten emphasis on current cultural analyses of Latin American society and facilitate meaningful connections between the Encounter and the present. Throughout the Fourth Edition, a new full-color design highlights an enriched and expanded map and illustration program. This, along with new quizzing and assessment options and a new edition of the companion reader, offers students and instructors more support than ever before.

Customer Reviews

Gripping, well reflected, concise, compassionate. Exactly what I needed as an introduction. The Author gives voice to the -traditionally -underrepresented: women and indigenous people.

The book looks new. No damages. It's perfect
