Customer Reviews

Had a friend buy this for me (she knows I love activity books). The puzzles are fun and it's big enough to read the words clearly. Was surprised to see the book is only \$5. I would have guessed that it would have been more expensive.

Love the design. It's very appealing to the eye unlike other word search books. So many puzzles to choose from. Overall great buy.

The print was so small my mother who is 90 but doesn't need glasses couldn't read the puzzles...disappointed

My husband is thoroughly enjoying it.
