## Customer Reviews

I really like the illustrations in this book, they are beautifully drawn ! I wish the lines in it were not so thick and dark but that can easily be fixed . I will likely scan the image before i color it and lighten the lines in a editing program so they dont stand out so much,. The paper quality is average and will hold up well with pencils. I cannot advise regarding markers since I dont use them. overall a really nice coloring book !

I HAD A FIT WHEN THIS BOOK ARRIVED IN THE MAIL. IT IS AWESOME. I WANTED SOMETHING DIFFERENT AND THIS COVERS THAT DESIRE. LOVE LOVE LOVE IT.

Super fun pics to color! Love the women! One of my fav coloring books!

I like the pictures lots of details but the faces are too strong for me the heads seem to be wrong size on some
