Customer Reviews

A really well written cookbook. Has within its pages some exciting recipes. A nice book for the person who wants to make more Mexican dishes than just the normal tacos out of a box. Enjoyed the paragraph in front of each recipe stating exactly why the recipe works. I have marked several recipes I will be making. You won't go wrong with this cookbook. This one is the real deal. Everything I've made from it has really impressed both me and my dinner guests.
