Tips And Tricks For The IPad With IOS 9 And Higher For Seniors: Get More Out Of Your IPad (Computer Books For Seniors Series)

Synopsis

The latest book on more advanced techniques for iPad users in the popular Computer Books for Seniors series, with more than 300,000 copies sold. This book provides an in-depth tutorial on some of the many useful settings and options that can transform the way an iPad is used. Readers will learn how to turn multitasking gestures on to make it easier to control your iPad, adjust sounds for alerts and messages, and make use of the impressive array of privacy options and accessibility features that are available. A review of additional settings, such as whether or not to accept cookies in Safari, synchronizing a calendar with an e-mail account, choosing which items to display in the notification center, set up family sharing, and set volume controls for the music app, are also included. With step-by-step instructions and hundreds of screen shots, this is the definitive resource for older users who want to discover just how much more the iPad has to offer.
