## Customer Reviews

The Black Edition's Swear Word Colouring Book has 40 sweary designs inside. The book is intended as a comical stress reliever with swears words. I love this book because it talks to me.

Yeah, Iâ™ve used several of the words depicted in the book. The pages have different swear words or phrases on them. Each page only a portion of the page is to be coloured with the rest in black while the other side is completely black to prevent bleed through when colouring.

Expressing are fitting the designs!

Great coloring book! Love it!

awesome- love them
