# Using God's Medicine For The Abundant Life: An Evidence-Based Approach To Essential Oils

## Synopsis

"And the leaves of the trees are for the healing of the nations." Revelation 22:2 Essential oils are God's Medicine, it's as simple as that! It's not that we need science to validate what God has set in motion before time began, but it's nice to have some research to support what folk medicine has practiced with great success for over 3,500 years. Scientists are just now tapping into how powerful essential oils are to cure all types of diseases and to help people live the Abundant Life. This book was designed to help you sift through all this data and to provide you with practical uses that can easily be implemented today. Essentially, this book is an anthology, and it is advised that you don't read it cover to cover. Take in each chapter as your interest and need dictates; embrace the journey. George Bernard Shaw once said, "Progress is impossible without change, and those who cannot change their minds cannot change anything." • Essential oils are a wonderful way to take charge of your own health, and determine in your heart to learn more about natural solutions and remedies to everyday problems. Let's encourage one another to never settle and always strive to learn more about how to best honor our bodies as the temples of the Holy Spirit. We're all on this journey together!

Dr Z sent me this book in return for an honest opinion. First, thank you so much Eric! We love the book! It's beautiful, and we're really learning a lot! God bless you!! As for the book itself, it is well written to convey the most information in the easiest manner. We knew literally nothing about essential oils, and we've already learned so much in such a little amount of time. We're looking forward to more books from you, Dr Z!!

I have found this information about essential oils in this book to be wonderful and so helpful with the health struggles I've experienced so far. I was able to cure a soar throat and swollen glands, get much needed mood support through menopause symptoms, help with heartburn, and as a digestive aid. And to see it was all part of God's plan, nice!
